

SWATI SHARMA

Software Developer | Applied AI & Machine Learning

Delhi, India • shar.c.swati@gmail.com • +91-9643077602
• linkedin.com/in/swaticsharma29 • github.com/swaticsharma29

PROFESSIONAL SUMMARY

- MCA graduate with a strong technical foundation in software development, applied machine learning, and system design.
- Certified in Java SE and Applied AI, with hands-on exposure to core SDLC phases and Python/ML concepts.
- Collaborative project experience gained during academic training.
- Quick learner with strong communication skills, seeking to contribute as a fresher to a dynamic engineering or technical support team.

CORE SKILLS

Programming & AI: Java, Python, Applied Machine Learning, SDLC, DFDs & System Design

Collaboration & Communication: Cross-functional teamwork, technical presentations, mentoring, fast learning

Fundamentals: Data structures & algorithms basics, requirement analysis, documentation (DFDs, activity diagrams, flowcharts)

EDUCATION

Master of Computer Applications (MCA), Information Technology

Indira Gandhi Delhi Technical University for Women | 2013 – 2016

Awarded Best Thesis of the Academic Year

Bachelor of Computer Applications

Indira Gandhi National Open University | 2009 – 2012

Visiting Student, Computational Trainee (SCFBio)

Indian Institute of Technology, Delhi | 2016

LICENSES & CERTIFICATIONS

- Applied AI Course — Applied AI Course (Dec 2020)
- ANIIT – Software Engineering — NIIT Limited (Mar 2013)
- Oracle Certified Professional, Java SE 6 Programmer — Oracle (Nov 2011)
